A Special Request from Pastor Mueller: Please arrive 15-20 minutes before the service. You may know you're coming, but we don't know you're coming. In recent months, we seem at every service to find last-minute replacements for acolytes, crucifers, and assisting ministers. Help!

A Special Request from the Council Committee on Senior Ministry: Please read lessons and prayers more slowly, clearly, and loudly. Practicing aloud is always a good idea and aids communication.
